WORKBOOKS TO CLARIFY KEY ISLAMIC CONCEPTS

Designed for independent learning

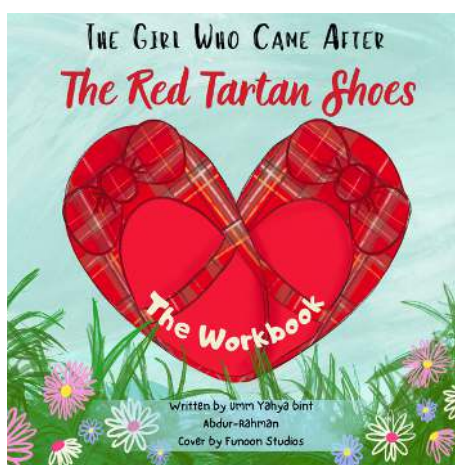

Build your child's
emotional
intelligence,
through Taqwa

Does your child struggle with body image & social media?

This workbook explores the story of al-Bara Ibn Malik & focuses on self image, Tawheed, pessimism & optimism. It builds emotional intelligence & confidence through Tawheed. It's fun, it's easy & it's colourful.

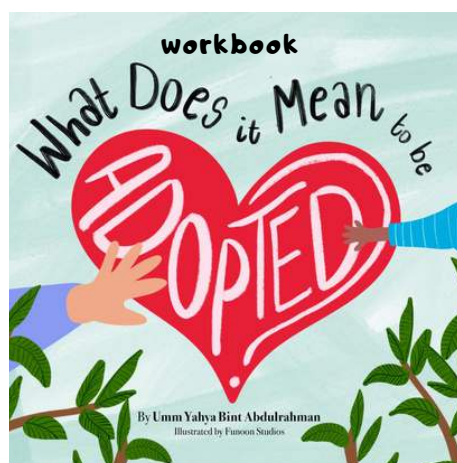

45 sar

A practical lesson in how to be patient, broken into easy components & scenarios to help your child

In this workbook, your child will delve into the principles of Eeman, it's levels & Qadr, along with Tawakul. All done in an easy engaging manner, requiring very little or no help from parents. There is an especially useful section giving scenarios and tips on how to be patient.

45 sar

Embrace different family structures, using the lens of Prophetic stories to illustrate

All families have their own unique dynamics, no two are the same. This workbook explores different families structures with examples. Children also learn about milk ties & blood ties in detail. Connecting it all to Tawheed, to develop resilience & acceptance in our children.

45 sar

WHAT YOUR CHILD WILL LEARN

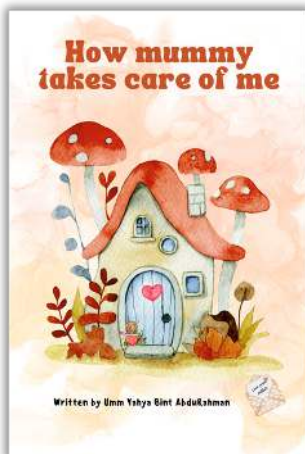

Build your child's
emotional
intelligence,
through Taqwa

It is possible to be confident about your differences & be shy too

A closer look at the components of an Islamic character, the nuances of being comfortable in your own skin, yet still having faith & shyness. Cultivate these characteristics in your child through this true story. Learn about Sri-Lanka & expand their knowledge of other countries. 35 sar

Cultivating empathy for mothers

A child speaks explaining her mother's role, giving your child insight into your role as a mother. The illustrations and simple explanations plant seeds in your child's heart, about the love & reasoning that goes into what mothers do. Empathy for mothers is cultivated subtly. There is one for boys and one for girls. 35 sar

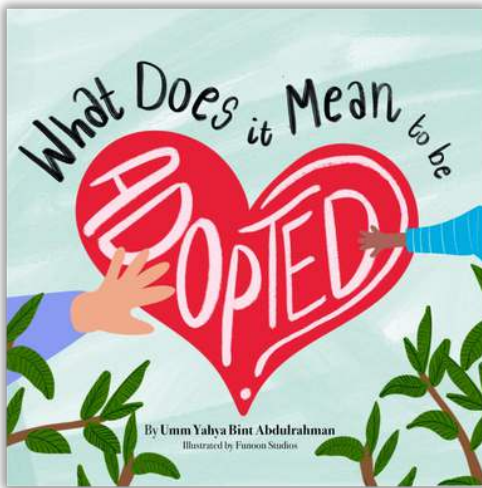

Being a good Muslim is a process, as is purifying intentions- especially in Ramadan

All firsts are memorable, let your child learn from the mistakes of a defiant girl, with a compliant twin, as she navigates her first fast. Children will relate to the difficulties that can arise in worship, in addition to her problem solving skills that she develops along the way. 35 sar

WHAT YOUR CHILD WILL LEARN

Build your child's
emotional
intelligence,
through Taqwa

Introducing your child to the concept of Qadr, Dua & adoption

Your child will learn that babies are not always raised by their birth mothers and that is due to Allah's wisdom and Qadr. This broadens their horizons and gives empathy & tolerance for different types of families. It is all related to Tawheed, showing the relationship between Qadr & lives.

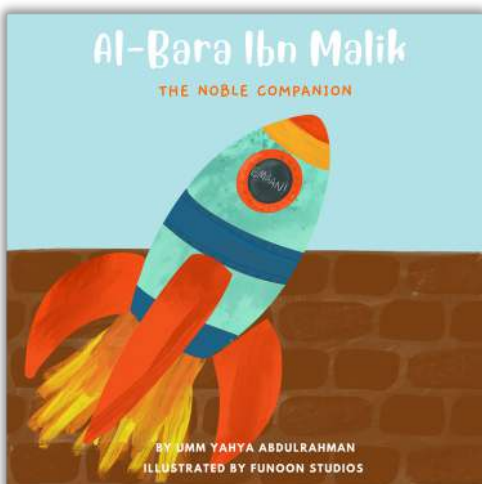

35 sar

Making dua with Tawakul is what Muslims do

The power of dua is explored in this poem, children will read about a special dua and patience, that led the way to an amazing girl being born. Giving them inspiration to pray to Allah & know amazing things can happen.

35 sar

Muscles don't make us strong Eeman makes us strong

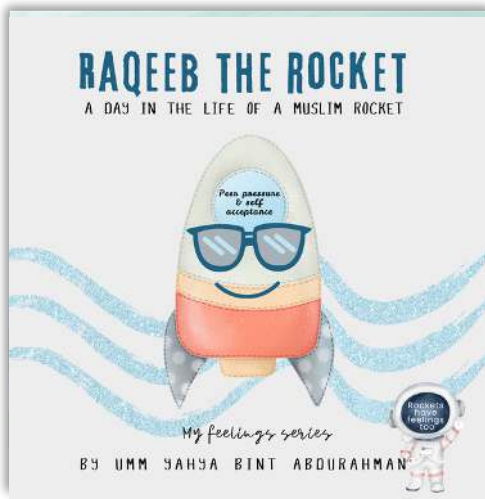

A true story about Anas bin Malik's brother, this true adventure will teach your child the importance of not judging a book by its cover. It will show them the strength & bravery of faith is stronger than having muscles.

35 sar

WHAT YOUR CHILD WILL LEARN

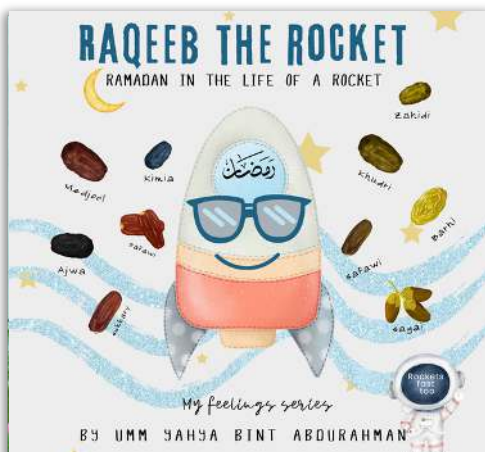

Build your child's
emotional
intelligence,
through Taqwa

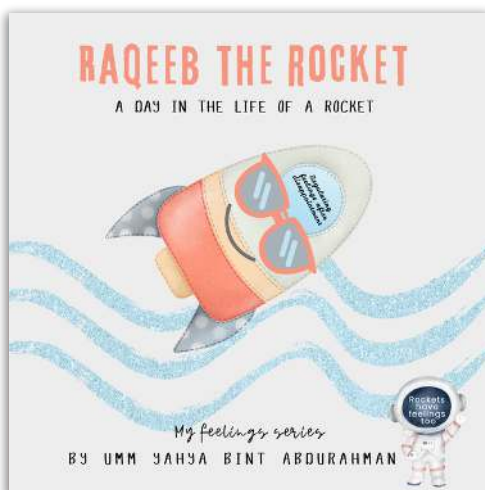

Teaching your child to accept the way they look via Tawheed Ruboobiyyah

In this age of social media, it is more difficult than ever for our children to love and accept the form that Allah has created them in. This series focuses on regulating emotions using Tawheed as our anchor. Your child will learn to love and accept themselves without seeking validation from the west 35 sar

Fasting according to the Sunnah!

Various established Sunnahs that are often forgotten are explored with a simple story. Your child will learn the importance of intentions, hastening to open fast, delaying the suhoor meal, and the pivotal role of dhikr. There is also clarification of the meaning of 'seeking Allah's face' and that we do not fast for worldly benefits- it is a worship for Allah. 35 sar

Regulating our feelings when disappointed is difficult

The role of the Qareen, which is the evil jinn/shaytan we all have inside us is explored. The temptation to blame others instead of accepting failure is dealt with in this book- your child will learn steps and duas to help them accept the disappointments in life and moving on to hope with Tawheed. 35 sar

WHAT YOUR CHILD WILL LEARN

emotional
intelligence,
through Taqwa

Parental bonds are always alive even after their death

A look at the difficulties children often face after the death of a parent. The importance of Islamic knowledge and its implementation during calamities are examined, as well as the role of desires when vulnerable. Islamic principles such as the conditions of the shahada and the doubts and desires that shaytan places in hearts are all intertwined in this true story

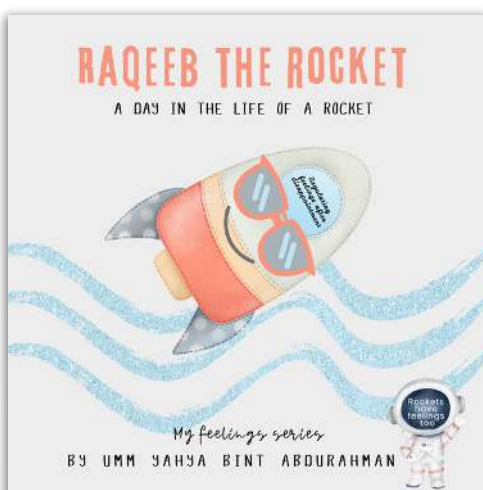

35 sar

How Tawheed changes lives during difficulties

Through Hamidah's life, your child will learn about Pakistani life and traditions of a Pakistani extended family, who have a very simple lifestyle. The tradition of quilting is explained. Towns and historical sites in Pakistan are shown. Families show resilience through their understanding of Qadr and Tawheed.

50 sar

Regulating our feelings when disappointed is difficult

These books
focus on a few
key factors

They are checked by a Medina university graduate for authenticity. You are building your child's Islamic belief, through these stories, being a good story teller is not the only criteria.

They are fun, colourful, child orientated & not preachy in their style. Islam is taught holistically, authentically & realistically. Minimal adult supervision is needed for the workbooks.

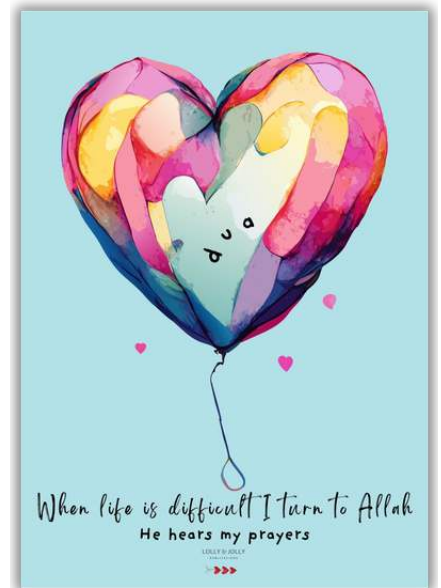

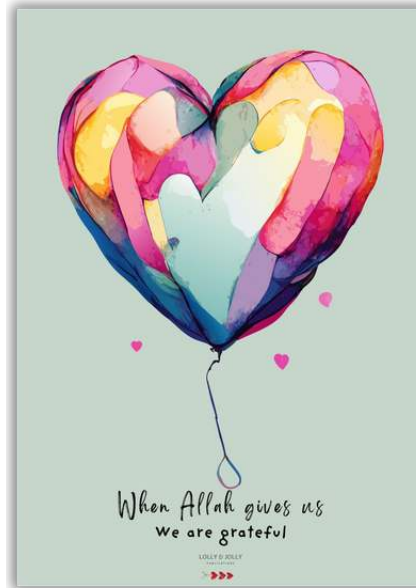

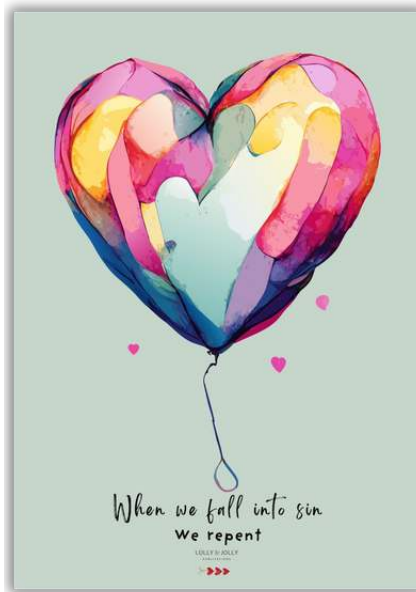

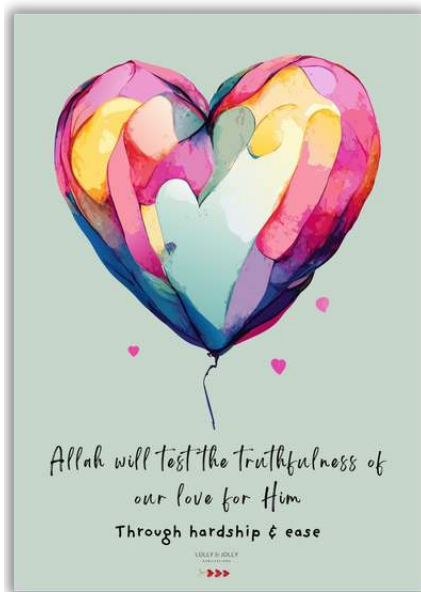

The Prophet ﷺ was sent to teach Tawheed with beautiful manners. This, & Emotional intelligence are core themes that are integrated in a relatable, fun way. Taken from the Qur'aan & Sunnah.
